1) Governing Body Committee structure

Working groups:

Each committee may create working groups consisting of staff, governors and others as necessary. These groups have no delegated decision-making powers and are formed to provide specialist or focused input to a particular subject area.

Standing working groups include: “Health & Safety”, “Futures” and “ICT Futures”, although others may be formed as necessary.

Delegated Powers for College Policy

Our committees have delegated power to make decisions for the areas of responsibility as outlined in each committee’s work programme. All committees have delegated powers to approve policies relevant to their areas. The exceptions to this are the following policies, where approval remains the sole responsibility of the Full Governing Body:

- SEND Policy
- Safeguarding Policy
- College Equality Objectives
- Teacher’s Pay Policy
- Complaints Policy
- Admissions Policy

All policies scheduled for review or revision will be identified at the start of each academic year and any governor may make comments, by emailing the Chair of the committee responsible for the policy.

Though the College Improvement Plan will be considered by all committees as appropriate, the FGB will retain overall responsibility for approving this.

2) Operation of Governing Body Committees

Membership and Voting Rights

1. In accordance with the articles of association, the FGB consists of the following governors:
 - Up to 11 Community Governors
 - Between 2 and 9 Parent Governors
 - Up to 3 Staff Governors
 - The Executive Headteacher
 - Additional Governors if appointed by the Secretary of State
2. Every governor is expected to serve on at least one sub-committee. Governors may attend any committee meeting they wish but only the agreed committee members may vote. Committee membership is agreed at the first FGB meeting of the academic year.
3. People who are not governors may attend committee meetings but may not vote. Non-governor attendance is at the committee's discretion.
4. Ivanhoe College staff are encouraged to attend committee meetings. Staff may request attendance for a particular issue and may raise an item on the agenda, subject to the agreement of the committee.
5. Committees may need to meet in confidential mode where the subject for consideration is related to the pay or performance of any person employed to work at the College or other sensitive matters. In such cases any relevant person employed to work at the College other than the Executive Head Teacher should withdraw unless specifically invited to stay by the Committee to contribute to the consideration of the matter.
6. With the exception of the Business Management committee, each committee elects its chair at the first meeting of the academic year. Ivanhoe staff members may not chair a committee. The Chair of the Business Management committee is appointed by the FGB at the first meeting of the academic year.
7. A committee may decide to form a sub group of the committee or a working group to discuss a specific issue or topic. The membership and terms of reference should be agreed by the committee.
8. A quorum of 3 governors is required for all governing body committees. Working groups do not require a quorum
9. Anyone who has direct financial interest or conflict of interest in a matter under discussion in committee must ensure their interest is recorded and must withdraw from the meeting for this matter.
10. Committees will aim to make decisions by consensus. Where voting is necessary, a majority of votes cast will determine the outcome of any vote. In the event of a tied vote, the Chair of the meeting has a deciding second vote or the right of veto.
11. Any person will be able to participate in meetings of the Committees by telephone or video conference if agreed by the Chair, provided that governor participation is for the whole agenda item under discussion and not just the vote; and if after all reasonable efforts it does not prove possible for the person to participate by telephone or video conference the meeting may still proceed with its business provided it is quorate.

Role of the Committee Chair

- Ensure meetings are organized and run effectively, focusing on priorities and making the best use of time available, and to ensure that all members have an equal opportunity to participate in discussion and decision-making.
- Ensure the business of the Committee is conducted properly and in accordance with legal requirements
- In the event of urgent decisions needing to be made between meetings, in consultation with the Accounting Officer and the Chair of Governors, take appropriate action on behalf of the FGB. This may include commissioning polls for voting by email or in extremis taking decisions of behalf of the Committee under 'Chair's Action'
- To decide after consultation with the Accounting Officer whether any internal and/or external non-voting advisors or representatives will be required to attend meetings
- To decide on the appropriate clerking arrangements for the committee given the nature of business to be transacted.

Role of Clerk to Committee

Meetings may be clerked by any person appointed by the Governors in accordance with the Articles of Association. It is expected that the FGB and Business Management Committee will normally be clerked by an external clerk to provide for independence. If necessary, the Chair may commission alternative clerking arrangements including the option for this to be a member of the College's administration team who is not involved in the day to day financial operations. The Clerk will provide support to the committee including:

- Work effectively with the Chair before the meeting to contribute to the agenda
- Take notes of the committee meetings and prepare minutes, including indicating who is responsible for any agreed action
- Record all decisions accurately and objectively, including timescales and responsibilities for any resulting actions
- Send draft minutes to the Chair and Executive Head for consideration within 5 working days. Recipients to provide any comments and feedback within 3 working days of receipt of the draft minutes.
- Circulate the draft minutes to all governors and applicable parties within 2 working days of receiving feedback from the recipients
- Advise absent governors of the date of the next meeting and/or changes to the calendar of meetings
- Work with the Company Secretary to ensure a file of signed minutes, is kept as an archive record, and ensure that signed copies of all minutes and papers discussed are available at the school for public access where applicable
- Manage and maintain a log of current and outstanding actions agreed by the Committee, showing current status, responsible persons, target dates and due dates / completion dates – this includes pro-active management of outstanding actions with those responsible to ensure actions are expedited appropriately

Organisation of meetings and Communication

The Full Governing Body meets at least termly, usually twice in the Autumn Term and once each in the Spring and Summer Terms. Each committee will meet at least termly, usually in advance of each Full Governing Body meeting. Meeting dates will usually be agreed at the start of each academic year, but will be subject to change due to unforeseen circumstances, at the discretion of each committee Chair.

Committee members will receive at least 7 days written notice of a meeting along with an agenda and copies of all papers to be presented or discussed at the meeting.

Minutes of all committee meetings will be taken, which must include all decisions taken and the names of those people present. It is the responsibility of the committee Chair to ensure this happens and that the minutes are circulated to attendees within two weeks of the meeting.

Decisions and recommendations must be reported to the next meeting of the FGB via the minutes.
