Dear Parents and Carers,

This week as we have doing checks around the school in preparation for our Open Evening next week and I have been so impressed with how well students have settled into the new school year. As I go into classes I am seeing students thoroughly engaged in their lessons. Student are arriving equipped to learn and showing the attitude to learning and respect for their teachers and peers that we love to see. Well done all!

Now that we are in full swing you will see that extra-curricular clubs have returned; some will be during lunchtime and some after school. There are additional clubs still being planned, so keep an eye on the updates. Students will be informed during their morning briefings when the new clubs are available. Please encourage your child to sign up to at least one club if they can, it is an excellent way to meet new friends and get involved in school life. If they are attending an afterschool club, please ensure your child has a safe way home, as busses cannot pick up from after school clubs.
