Dear Parents and Carers,

With only 2 weeks left of a long term it is imperative that students look after their health and wellbeing to maintain their attendance levels. There are so many fun activities happening it would be a shame for them to miss out.

The NHS has excellent guidance on managing [COUGHS](#) and [COMMON COLDS](#), and we find most students can manage in school with these minor ailments. If students have high/uncontrollable temperatures or are very unwell, we would of course expect students to take time at home to recover.

If you are having difficulties with your child's attendance, please contact your child's form tutor or our Attendance Officer Mrs Pennington and we will do all we can to support you.

It was great to see so many students out and about last Sunday at the Ashby Santa Fun Run and Christmas Event in town. How lucky are we to have so much happening in our area?!

We had over 50 students attend the first launch meeting for the STEAM Show, with many other students who couldn't attend expressing an interest. There was already a huge buzz about what projects they might work on. If your child is interested but couldn't make the meeting please ask them to grab a word with Mr Thornewill or Miss Neeson. The deadline for the first round of applications (which should be completed on Moodle) is Wednesday 8th January, so there is plenty of time for students to think about their projects.

Don't forget - Scholastic Half Price Book Fair 4th-11th December.

SCHOLASTIC IVANHOE SCHOOL

PAYMENTS CAN BE MADE:

- **ONLINE VIA THE ABOVE LINK**
(PLEASE ENSURE YOUR CHILD LETS OUR LIBRARIAN KNOW WHAT HAS BEEN ORDERED SO SHE CAN ENSURE DELIVERY)
- **STUDENTS WITH ONLINE BANKING/BANK CARD CAN PAY VIA QR CODE IN THE LIBRARY**
- **WE CAN ALSO ACCEPT CASH**

Not only is this a chance for students to purchase bargain books and stationery, but every purchase earns free books for our school library, so it is a win win.

The link for online payment is:

After school and lunchtime revision sessions are running across a range of subject areas. Teachers will let students know when they will be running and when. We would encourage students to take up the opportunity for as many revision sessions as they can, particularly if they are struggling in a particular area. If your child is staying for an afternoon session, please ensure your child knows how they will be getting home that day.

Here are a small selection of some of the sessions taking place. After Christmas we will publish a full timetable.

Community News

Lifesaving Skills For **EVERYONE**

Ashby Leisure Centre & Lido
Thursday 12th December 2024 / 6PM-8PM

We are running a **FREE** lifesaving skills workshop for people within the local area! According to the British Heart Foundation, only 1 in 10 that suffer from a heart attack survive (in a non-medical location). The purpose of the session is to provide the community with first aid skills that could one day help save a family member or friend. The session will be a fun and relaxed session, suitable for adults and will be ran by RLSS trainers based at the centre. The session will include the following first aid lifesaving skills and training:

- Adult, Child and Infant Cardiopulmonary Resuscitation (CPR)
- The use of an Automated External Defibrillator (AED)
- Treatment for Choking

This is a free session for the community, but we also hope to raise money for our charity partner Breast Cancer Now. Any voluntary donations on the day will be appreciated.

For more information or to book onto the free lifesaving skills workshop, please contact desmondslack@everyoneactive.com
