

Ivanhoe believes in:

- the relentless pursuit of excellence to achieve life-changing outcomes for all students;
- the education of the whole person, seeking to encourage all students to learn beyond the classroom;
- creating ambitious life-long learners who have developed a curiosity for and enjoyment of learning in our personalised curriculum experience;
- challenging our students to be discerning as they navigate the complex media world we now inhabit.

This means we aim to:

- support each child into a happy, fulfilled young adult;
- instil in each student a strong sense of self and aspiration;
- encourage our students to seek wider opportunities;
- foster a love of learning in all our students;
- ensure excellent results at KS4;
- encourage an understanding that hard work will lead to future success.

The strengths of our curriculum are:

- High-quality teaching based on a mastery approach, ensuring long term retention of powerful knowledge.
- Our knowledge-rich curriculum which treads a careful balance between academic and creative - allowing all students to make excellent progress.
- Our exciting, challenging and inclusive approach ensuring that our students become valued, dynamic members of the community, prepared for their futures as responsible citizens in a diverse, technologically-advanced society.

Our staff pledge to:

- identify and advance each child's individual strengths and talents whether academic, creative, or physical;
- build resilience and self-esteem as our students transition through physical and emotional change;
- offer inspirational opportunities both in and out of the curriculum to ensure future success;
- nurture students and remove barriers in a fully supportive learning environment;
- commit whole-heartedly to collaboration within, between and beyond the Ashby Hub Schools.
