

## How to use your Games Console to access Ivanhoe Remote Learning

Using a games console is not a perfect solution to remote learning needs but they can be helpful in giving families an extra device to access as remote learning as possible. To use your console in this way you will need;

- A Games Console - the following consoles will work; XBOX One, XBOX One S, XBOX One X, XBOX Series S/X, Playstation 4, Playstation 4 Pro, Playstation 5, Playstation 5 (Digital Edition)
- A Keyboard & Mouse (*These are not essential but do make prolonged use easier.*)

### What can you do on these?

	Login to Moodle	Completing Activities on Moodle (e.g. Quiz)*	Uploading work to Moodle	View Stream videos on Moodle	Access your Ivanhoe email	Use Google for Search
XBOX	✓	✓	✗	✓	✓	✓
Playstation 4	✓	✓	✗	✗	✓	✓
Playstation 5	✓	✓	✗	TBC	TBC	✓

\*We have not been able to exhaustively test every quiz, but the sample used worked OK.

**We have seen reports that Smart TVs which have a Web Browser built in will also work, but we are not able to verify which makes/models of Smart TV are supported.**

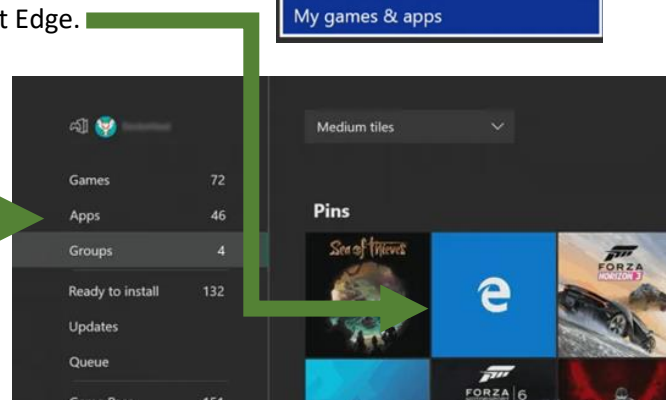

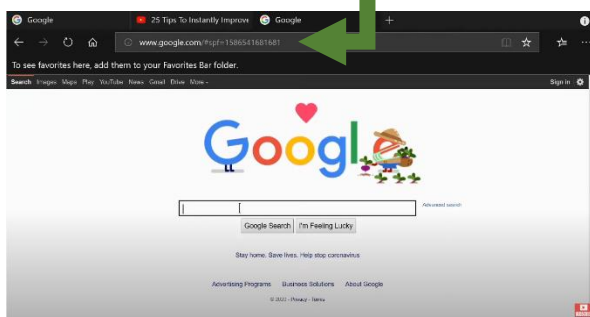

### How to set up on XBOX (Any version listed above)

- From your home screen or Menu Bar, go to My games and Apps.
- Go to the Apps section and select Microsoft Edge.

*If it is not there you can download this for free from the XBOX Store.*

- You can then browse to [vle.ivanhoe.co.uk](http://vle.ivanhoe.co.uk) to access Moodle, with links to your email at the top of Moodle.
