

Home Learning Reading List Yr 8 – Ivanhoe College

We finally all have time to engage with the reading that we never had time to do. So, here is something to keep you busy every day.

The Challenge.

Aim for at least 20 minutes of private reading every day.

Here is a list of authors and book titles that we think you might enjoy. You don't have to read the books from the list – they are just suggestions.

However, if you'd like to find out more about these books, look on the internet or other reading forums. Audible.co.uk also offers some of these books as an audible version (ones that you listen to) Hopefully there will be something for everyone
